# AN UPDATE OF ACTIVITIES—July 2016 to September 2016

SUGRAMA is in its second full year term after its inception in 2009. SUGRA-MA members at the state level met after SAMAVESHA for the first time in Bangalore for their first Steering Committee meeting. The two day meeting on June 1-2, 2016 reiterated the activities of the members at GP, taluk and state level while giving more impetus on the manifesto points and its additions towards the course of activities for advocacy.

The members were thereon oriented on their roles and responsibilities, division of their work—GP, taluk, district and state level, understanding and owning SUGRAMA, action plan for the next phase and so on.

The members thereon went on to not only participate in the activities conducted by the partner organisations but also went on to have their informal meetings prior to the conduct of interface meetings by the partner organisations. This helped SUGRAMA in collectivizing the agenda/advocacy issues and discuss it in a cohesive manner.

# All the Taluk Members

Dear Members,

Greetings from the new President. I welcome you all on board of SUGRAMA. Being an elected member for the first time, it gives me immense pleasure to be associated with SUGRAMA. I am sure most of you all are first times like me and it has been a great privilege becoming a member of SUGRAMA. Yes, indeed it is. I am happy to be part of the large platform and hope that you too opine the same. I also went on to become the district representative with the support of my taluk colleagues and counterparts and thereon became the President of SUGRAMA. I am now leading the 2500 members towards strengthening the local self government. It is indeed a hurricane task but with the support of you all, I am sure I can take up the mantel as desired by you and work towards betterment of governance and decentralization in grama panchayats.

With the recent amendments to Karnataka Panchayat Raj Act, 1993, our work has become more required as it is our duty to ensure that the amendments made to the act are implemented effectively. It is our responsibility to ensure that they are in compliance with the act. It is really heartening to note the achievements of the previous members in bringing in 5 year tenure to the post of President and Vice President.

While congratulating the earlier members for their initiatives in strengthening SUGRA-MA and ensuring good pointers in the way of amendment, our task is to ensure that SUGRAMA continues to bring in more visibility through its actions and ensure women play a pivotal role in grama panchayats.

This newsletter will encapsulate all your activities and hence the reflections of such activities shall bring in a ray of hope to other members like us. Come, let us work towards bringing in a change in governance. Through our achievements, we shall ensure that women like us also work in a collective manner.

> Rathnamma S. President, SUGRAMA
